Individual gliding courses

The course runs over 6 days (each week from Monday to Saturday)

It is supervised by one instructor for 3 pilots, alternating double-seater and single-seater flights.

The Advanced Gliding instruction package includes ground theory/courses, double-seater lessons with instructor and supervision during flights in single-seaters.

Glider rental rate includes unlimited gliding hours, on all types of CNVV gliders (double-seaters with instructor or single-seaters).

| Advanced Gliding Package 6-day week | Low season 30 Jan – 26 Feb 02 Oct– 11 Nov | Mid season 27 Feb – 19 Mar 28 Aug – 01 Oct | High season 20 Mar – 27 Aug |

|---|-----------------|-----------------|-----------------|
| Supervision package (all levels) | 155,00 € | 181,00 € | 206,00 € |

DUO (double-command) courses

The DUO courses are intended for those pilots who do not wish or who cannot glide solo. They are organised over a period of 6 days, with two pilots (maximum) under the supervision of one instructor. Both pilots will share the afternoon flight, gliding in turn with the instructor.

Two other 'supervised' pilots may also be part of the group, but they do not fly in a double-seater with the instructor.

The package includes ground theory/courses and double-seater lessons with instructor. Glider rental rate includes unlimited gliding hours, on all types of CNVV double-seater gliders with instructor.

Non-CNVV gliders and groups (not including clubs, FFVV committees and ETRs)

Individual membership fee plus the technical participation fee paid per pilot covers attendance at the daily weather and security briefings.

Fees for non-CNVV gliders are paid for a maximum of 3 consecutive weeks on the airfield.

Private gliders can be accommodated in a hangar if space is available.

Pilots may glide without instructor supervision but they can request a check flight in a double-seater with an instructor if they wish (see specific rates below)

A check-flight is obligatory for first flights in St Auban and for first winch launches..

Pilots can integrate a group of pilots on individual training courses if they wish to benefit from ground theory and supervision when gliding. See cost of « supervision package »

Pilots can also reserve a private instructor per day if they wish.

Private glider contributions

Fees for non-CNVV gliders on the airfield. Includes access to tows/winch launches, and general supervision of the day's activity. A maximum of 3 consecutive weeks is invoiced.
